Rodney White Leading the Way...

Rodney White

Rodney's work on this revolutionary technology is very much appreciated!

Rodney White is the operations manager for the Information Services and Applications team. This week he completed the installation of the CFISD Family Mobile App. When challenges arose in the process, the vendor was not able offer a solution. Rodney worked long and hard until he identified the issue and

implemented a resolution. Rodney Lead the Way for the student and parents of CFISD, allowing them to access up to the minute information about grades, daily assignments, and other information about their education.
