

# Organizational Announcement

## Paula Ross, Chief Technology Officer

Paula Ross has been named the Chief Technology Officer following Frankie Jackson's retirement announcement.

Over 50 candidates from all over the state applied for the open position, resulting in numerous interviews. Paula's resume includes Network Engineer Server Support, Manager of Server Infrastructure and Director of Network, Infrastructure, and Communications here at the District. She played a critical role in the implementation of the 2014 Bond, helping to bring about \$90 million in technology upgrades and projects for CFISD.

Paula and her husband, Michael, have raised two sons, Kirby and Cameron. Both sons attended Copeland ES, Aragon MS, and Langham Creek HS and are graduates of Texas A&M University. Now that's a tough job!

### Congratulations, Paula!
