The Moorehead News

Anthony Melton, Hardware/Software Technical Analyst, has stepped up his game! As a marathoner, Anthony has raised over \$50,000 for the Leukemia and Lymphoma Society and the Houston Aphasia Recovery Center. Add swimming and biking to the picture and now Anthony is training to participate in his first ever Ironman in Panama City, Florida in November. All donations for the event will benefit the Leukemia and Lymphoma Society.

Let's cheer him on! To donate:
