

Student Focused

SUNGARD[®] K-12 EDUCATION

Frankie Jackson, CTO and Rodney White, ISA Operations Manager take a moment to celebrate the successful completion of the installation of the Cy Fair Family App. This is the SunGard Family App that allows students and parents to securely access students' education data, (such as current grades, assignments, attendance and teacher information), from their mobile device (phone or tablet).

The app will be released this fall.

Business Focused

Carol Oman

Neetha Chada Eric May

On **Thursday August 20, 2015**, **Eric May** and **Neetha Chada** met with **Carol Oman** to discuss the Conflict of Interest process. This is a process that must be acknowledged and agreed to indicating that individuals or businesses do or do not have a potential conflicts of interest with the school district prior to doing any business with the school district.

Carol manages this process and the ISA Business Team assists her collect and report the data. Currently they are considering reprogramming the system. This will allow it to be more robust and capable of expanding as the district expands.

CYPRESS-FAIRBANKS ISD

BACK to SCHOOL EXPO

SATURDAY, AUG 15, 2015 @ BERRY CENTER 9 A.M. - 1 P.M.
8877 BARKER CYPRESS RD, CYPRESS, TX 77433

NEW STUDENT REGISTRATION

- ▶ Open to incoming CFISD students only.
- ▶ Bring birth certificate, immunization records & proof of residency
- ▶ Online registration in English & Spanish

On **Saturday August 15, 2015**, **Marta Bott** managed the Registration Section of the Back to School Expo. Marta organized, staffed and ran this opportunity for new students to register for Cy Fair schools so that they would be complete and ready for the first day of school, Monday August 24, 2015.

Leadership

Process Mapping

Donna VanHooser

This ISA team dedicated time this summer to Process Mapping / Documentation. This is the process by which critical key process are identified and documented in such a way that another team member can pick up the documentation and complete the process. This is necessity and extremely critical for business continuity.

Donna VanHooser, pictured the left, has just completed a key process following the key process documentation. This is an affirmation that the exercise worked effectively. Donna was able to follow the documentation and complete the task without assistance.

The ISA Leadership Team held their weekly T4 meeting on Thursday August 20, 2015. The meeting focused on school readiness.

The agenda can be viewed [here](#).
