Efficient  
Accessible  
Systematic  
Highly-Skilled  
Student-Focused  
Service-Oriented

Core Values

**Norma Blenderman** is the PEIMS Coordinator for CFISD. She has the responsibility to organize and report all required student and employee information to the state and federal authorities. Her work results in the funding allocations that CFISD uses to educate students.

Her team also resolves every student identity conflict that arises. This can be the result of mis-typing a name or social security number, or from another district entered information improperly before the even get to CFISD. Norma and her team research the issue and work with other districts to correct any problem they face.

**Norma Blenderman** exemplifies two our Core Values:  
**Highly-Skilled**  
**Student Focused.**

# Student Focused

# Highly-Skilled
