

Tammie Bartkowiak Student Testing

Tammie

The 2018-2019 school year is in full swing. Teachers are instructing and students are engaged with learning. With learning comes knowledge measurement. Our elementary campuses are currently utilizing the Lexmark machine system to test students for District Progress Monitoring (DPM) Language Arts skills.

When campuses have questions or concerns about the Lexmark machine, who do they call - **Tammie Bartkowiak**. **Tammie** assists campuses with various concerns regarding these machines such as scan sheets not grading properly, service issues, to delivering scan sheets to the campuses because their machine is not available.

Tammie receives frequent compliments and thank you notes for her dedicated service.
