

# Making a Difference

**Geoffrey Brown** performing surgery on a time clock at Nutrition Service. Truth is Geoffrey is installing a new Power over Ethernet clock for a stress test and food productions with 400+ works will do just that.

On Thursday **September 13**, **Eric May**, **Geoffrey Brown**, **Charity Selvey** and **Elizabeth Ford** met to review the progress of the Temporary worker Onboarding forms and workflow. Work is progress on schedule. It was determined that this onboarding project will be the template for the remaining ancillary forms.
