

# Paperless Workflow Business Services

John Crumbley, Eric May and Dava Clark met with the Business Services directors, Mable Isles, Melissa McAnear and Mark Flores, on Tuesday, March 27, 2016.

The team reviewed the advancements in CFISD's paperless workflow initiative, Personnel Onboarding.

These advancements served as an example of the successes we could have in the Business Services Operations.

The team is creating a list of processes that can be enhanced by paperless workflow, resulting in a savings of time and money.
