

PowerSchool Unified Classroom

Hardeep Gulati, CEO Mike Lovejoy

On **Thursday May 17, 2018**, **John Crumbley** had the opportunity to meet with PowerSchool's CEO, Hardeep Gulati and his executive team, along with CFISD's executive team consisting of Dr. Macias, Associate Superintendent of Curriculum, Mary Jadloski, Assistant Superintendent of Curriculum, Frankie Jackson, CTO, Becky Cook Director of Instructional Technology and Rodney White, SIS Manager.

This was a high level meeting to discuss CFISD and PowerSchool's Unified Classroom, and how it would fit in with curriculum.

SIS is not longer just the System of Record
It is now the **"System of Involvement"**
Remarks **Mr. Gulati, CEO**, involving all stakeholders in the education process.

This new technology will transform the K12 classroom. Using the newest technology, PowerSchool unifies eSchool, Teacher Access Center (TAC) Home Access Center (HAC) and eFinance with the Learning Management System (LMS) and Performance Matters Assessment Platform. The result is less administrative overhead and increased instructional time, while involving all stakeholders into one secure portal.
