

# National Success for Students

**Frankie Jackson**, CTO, invited two Cypress Woods high school students to a celebratory luncheon. Frankie and team honored the students who recently attended a national computer science competition. The two students, both sophomores at the time, advanced to the national competition for the second consecutive year.

This year, the team developed a mobile app that engages busy students as well as struggling readers. The app facilitate read with a check-out / check-in system. They presented research that shows Lexile's as well overall reading satisfaction is improved through the use of their app.

This team placed 10<sup>th</sup> in the nation.

**CONGRATULATIONS!!!!**
