

Thank You T Traweek

T Traweek is the Senior Programmer / Analyst for CFISD's Finance system. His expertise and experience keeps the finance system running efficiently and the pay checks printing on time! T's exceptional knowledge of the system is unrivaled. When I asked T for a brief list of his accomplishments this week, he shared the following list.

A glimpse into a week in the life of T that keeps the finance system humming:

- Nightly script for Avatar failed to transmit - Corrected
- New environment configured for the eFinancePlus5.1 Upgrade
- Rebuilt the table 'cfisd_pay_history' through current payroll
- Wrote a program to automatically refresh table cfisd_pay_history
- Wrote a program for Music - CHARMS system
- Problem with incorrect timecard interface - Corrected
- Added Electronic Funds Transfer (EFT) Vendor report script to nightly tasks
- Bad record in download file from TalentEd - Corrected
