

Ann Sempe

Ann Sempe joined the ISA team this year. Prior to this, she served as the registrar for Cy Woods High School.

Her experience benefited the team well this week as we worked through the end of the year. Ann was able to work with the high school registrars and the middle school counselors secretaries to properly close out the year. Her expertise and supportive attitude allowed her assist the registrars.

Ann Sempe

She personified our organizational values of **Highly-Skilled** (knowing exactly what needed to be done and how to do it), **Student-Focused** (certifying that each student is eligible for graduation) and **Service-Oriented** (Ann verified with each of her users that they were complete before leaving the office).

CFISD and ISA are grateful to have Ann on our team.

Thank You Ann !
