Tammie Bartkowiak received a thank you letter from **Mary Collins** at Hancock Elementary on **Monday February 8, 2016.**

Ms. Collins wanted to express how grateful she was for the assistance Tammie provided for her. She explains that Tammie, understanding of her work load, scheduled a specific time for her to call as to not interfere with her class and students.

Tammie's service-oriented approach to problem solving is critical to her success and impacted Ms. Collins in a positive way.

Thank You Tammie!

Dear Mr. Crumbley
I am writing on behalf of Tammie Bartkowiak. She was so very helpful in setting me up to have authorization for obtaining reports on students. She returned my emails with promptness and arranged a phone conference time so she could walk me through the system to

set me up. I felt that it was important to let her supervisor know her value and kindness to ensure a request for assistance was handled so well.
Sincerely,
Mary Collins
