

Report Card Party

Rodney White, Belinda Smith and Richard Hoffman

implemented the cross-training contingency plan for printing student report cards.

When **Lee Honeycutt** fell ill, and report cards needed to be printed, Rodney, Belinda and Richard knew what to do and jumped into action.

They utilized the cross training documentation created by the Information Services and Applications team. They were able to process report cards in Lee's absence.

Rodney, Belinda and Richard serve as a perfect example of our core values: Highly Skilled and Student Focused.

Way to Go Team!

Efficient
Accessible
Systematic
Highly-Skilled
Student-Focused
Service-Oriented
