Core Values

Members of CFISD Network Management Operations (NMO) Team are building their knowledge and expertise in the VMWare world of virtualization. Each has demonstrated their understanding and validated their skills by obtaining the following VMWare certifications:

- Mike Diaz** – VMWare Certified Professional 6 Data Center Virtualization Delta Certification
- Lance Melancon** - VMware Certified Professional 6 Data Center Virtualization Certification
- Ken Gibson** - VMWare Certified vSphere 6 Foundations Exam

These highly skilled gentlemen are transforming computing at CFISD through virtualization.
